##### **General Electives**

**0-7 credits<sup>5</sup>**

General Electives

##### **Applicable Credits**

**64-68<sup>5</sup>**

#### **Notes**

1. Credits beyond the "30 minimum" requirement will be applied toward the "General Electives".

2. Choose courses from different disciplines that meet [Oakland Community College's Michigan Transfer Agreement \(MTA\)](#)

3. Only OCC courses are pre-approved to meet the requirements of this agreement. Non-OCC courses are subject to review.

4. This course will be used to waive a requirement of the BBA only as part of this agreement.

5. Students must complete a minimum of 64 credits at OCC in order to meet the requirements of this agreement. This will fulfill all transferable credits for all majors except General Business. Students intending to pursue the GBUS major may complete four additional credits of general elective for a total of 68 credits. Transferable courses can be found using the [UM-Dearborn Course Transfer System](#).

| <b>Minimum Credits to Graduate</b>  | <b>120</b>           |

In order to be admitted to UM-Dearborn with recognition of the articulation agreement, students must:

- complete all of the courses before transferring to UM-Dearborn.
- receive a minimum grade of “C”/2.0 in all courses.
- achieve a minimum transfer GPA of 2.70.
- receive verification of both the Michigan Transfer Agreement and BUS.ABA degree on their community college transcript.

The College of Business reserves the right to change BBA curriculum requirements. Students following this articulation guide may have alternative course requirements than those listed here, but will not be required to satisfy any additional credits beyond those in effect at the time of admission to earn a BBA.
