7. Confirmation: After submission, a successful submission message will appear. You'll also receive an email confirmation with further instructions the next day. Don't forget to read any additional instructions in the confirmation email thoroughly.

Thank you for submitting your application!
[Return Home](#)

If you click Return Home, it will take you back to your application dashboard. The icon will now either display 100% or a green form. If you click on the application, it will now show your Checklist, which is auto-generated. We ask that you do **not** use the checklist until after you receive a second confirmation email that indicates your application has been processed. This second email is generally received 5-7 business days after submission.
