

M.A. Teaching

ABOUT THE PROGRAM

The program prepares you to be competent, caring and reflective educators who are certified to teach secondary grade bands of 5-9, 7-12 or both for chosen concentration areas. The MAT degree is a unique Master's program, where students will take 37 credits along with the required undergraduate coursework to meet the requirements of the concentration.

WHY CHOOSE US?

- 37 credit hours
- Clinical experiences and student teaching internship
- Students earn a master's degree and can apply for the 5-9 or 7-12 grade band teaching certificate in their content area
