

ABA Job Seekers or Parents with Children on the Autism Spectrum

7 Weeks (1 day per week for 7 hours per day) 'bootcamp' class will prepare you to either:

1) Qualify for a job as an RBT (Registered Behavior Technician)

2) Learn the essential principals of Applied Behavior Analysis that the professional therapists use to help thousands of children with Autism or other disabilities gain the skills necessary to live to achieve their individual potential.

Gary Carone

Instructor

MS LLP LMSW BCBA LBA

Mr. Carone has 35 years experience in the ABA field and has taught RBT students, parents, and other caregivers the principles of ABA in this class. By the end of this class, each student will feel prepared to use the powerful ABA technology - in the field as an RBT or at home with your child.

RBT Training

- ✓ Registered Behavior Technician Training
- ✓ High Demand Field
- ✓ Good Pay (\$17-\$25 / hour)
- ✓ No need for college degree- just HS diploma or GED and this course

Parents

- ✓ Learn how to use ABA - to help your child
- ✓ Practical knowledge to increase communication, daily living skills, & to reduce undesired behavior issues
- ✓ Hands on teaching style will help you learn what and how to use ABA now and into the future with your child.
