The screenshot shows the 'Section Row Content' editor. At the top is a rich text editor toolbar with various icons for bold, italic, text color, background color, bulleted list, numbered list, link, unlink, quote, and code. Below the toolbar is a large text area for the 'Stat field'. A red arrow labeled '8' points to this text area. Below the text area is a 'Text format' dropdown menu set to 'Basic HTML' and a link 'About text formats'. Below that is an 'Image' section with the text 'No media items are selected.' and an 'Add media' button. A red arrow labeled '9' points to the 'Add media' button. Below the image section are two input fields: 'Name' and 'Title'. A red arrow labeled '10' points to both of these fields. At the bottom left is a button labeled 'Add Stats Router Section'. A red arrow labeled '11' points to this button. Above the button is the text 'Max of 5 sections is recommended.' and to the right of the button is the text 'to Sections Rows'.

8. Provide 'Section Row Content'. This is the description that appears immediately below the yellow stats section.
9. This component can be used to house quotes by multiple individuals. If using it for this purpose, include a photograph of whom the quote is attributed. (optional)
10. Use this if there is a quote. Include the 'Name' and 'Title' of the person providing the quote.
11. Click 'Add Stats Router Section' to include additional Statistics.
