

ONE-TIME SUPPLEMENTAL FUNDING & TUITION REPORTING FORM

Institution: University of Michigan-Dearborn

Pursuant to H.B. 4400 of 2021, Sections 265 of the fiscal year 2022 higher education appropriations bill, please fill out this form and return to the State Budget Office, House Fiscal Agency, Senate Fiscal Agency, and the House and Senate Appropriations Subcommittees on Higher Education by **October 1, 2021**.

As per H.B. 4400 of 2021, Section 265: **“Tuition”** and **“fee”** amounts are based on 30 credit hours. **“Fee”** means any board-authorized fee that will be paid by more than one half of all resident undergraduate students at least once during their enrollment at a public university, as described in the Higher Education Institutional Data Inventory (HEIDI) User Manual.* A university increasing a fee that applies to a specific subset of students or courses shall provide sufficient information to prove that the increase applied to that subset will not cause the increase in the average total tuition and fees paid by resident undergraduate students in the 2021-2022 academic year to exceed the limit given below. **“Tuition and fee rate”** means the average of full-time rates paid by a majority of students in each undergraduate class, based on an unweighted average of the rates authorized by the university board and actually charged to students, deducting any uniformly-rebated or refunded amounts, for the 2 semesters with the highest levels of full-time equated resident undergraduate enrollment during the academic year, as described in the Higher Education Institutional Data Inventory (HEIDI) User Manual.

A university must limit tuition and fee increases to 4.2% or \$590.00, whichever is greater. This form should not be returned until after the governing board has set tuition and fee rates for the 2021-2022 year.

1. The university certifies that it did not adopt an increase in resident undergraduate tuition and fee rates for the 2020-2021 academic year after September 1, 2020. Answering No will make the institution ineligible for a one-time supplemental funding appropriation.
