

Arab American Studies Certificate Program

Student Learning Outcomes

Students completing the Arab American Studies Certificate will acquire knowledge concerning the following:

1. Demonstrate a command of the broad range of diversity (gender, class, religion, race, length of time in the U.S., national origins, etc.) found within Arab American communities.
2. Demonstrate a command of how the Arab American experience is shaped by local, national, and global conditions and relations.
3. Demonstrate familiarity with Arab American aesthetic, social, religious, and political movements.
4. Demonstrate familiarity with several different disciplinary approaches to the study of American race and ethnicity.
